Alexandria, VA 22313-1450

Dear Sir:

The DE 32 44881 A1 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified in the European Search Report issued by the European Patent Office in a corresponding European Patent (a copy of which are hereto) which identifies the reference as an "X" reference with respect to claims 1-12, 20-25 and 30-36 meaning it is of "particular relevance if taken alone".
